The statutory period of three (3) months time period for response to the Office Action expired on June 4, 2005. At the time the '157 Application was filed, Applicants claimed small entity status and it is confirmed that Applicants are still a small entity. Therefore, the appropriate extension of time fee for this two (2) month extension of time is two hundred twenty-five dollars (\$225.00) under 37 C.F.R. § 1.17(a). The applicant has enclosed a check in the amount of two hundred twenty-five dollars (\$225.00) with this Request For Two Month Extension of Time. In the event the Commissioner for Patents should determine that the enclosed check for two hundred twenty-five dollars (\$225.00) for the two (2) month extension of time is insufficient or any additional fee is due, or in the event the Commissioner for Patents should determine that any additional extension of time is required for this to be timely filed, then the Commissioner for Patents is hereby authorized to charge my Deposit Account No. 18-2222 for the appropriate fee.

A duplicate copy of this document is enclosed for the Patent Office finance clerk.

Respectfully submitted,

Dated: August 4, 2005
